lake merritt is a pleasant setting for city locals to take a short break during the busy day

I swear, I don’t remember anything else about this pile of dogshit.

I continued running into the same listings - so either there isn’t much for sale or I’m not as good at searching as I would like to think I am.

A neoplasm may be benign or malignant. When the acceleration is known the velocity of the object and the

The way to help those who are less fortunate is, number one, to attract more very fortunate people
