Locash Tailgate Tour

In 2009, Castellon conceived the idea for Genovive, where he would utilize what he had learned to help others like him lose weight and begin a healthier life.

60 minutes post-baseline (capsules) they completed the "cognitive demand" battery six times in immediate succession.

Military since the 1990 Gulf War: a failure to create and maintain the types of field records that have documented American conflicts since the Revolutionary War.
